

Microwave - programmable large capacity Menumaster RCS511TS

Reference: CM744

649.99€ tax excluded

Product short description:

With its fixed bottom, this Menumaster microwave for standard professional use can accommodate square dishes and trays. The tempered glass door and interior lighting ensure good visibility of the contents. The large capacity allows for double or multiple cooking, and the touchscreen control panel allows you to save personalized cooking programs to match the meals you provide. Adjustable cooking time of 15 sec. at 60 minutes with an audible end of cycle signal.
