Product short description:

Make delicious pizzas with this reliable Buffalo pizza oven. Thanks to a large 450x450 mm refractory stone, the oven can hold pizzas up to 450mm, and guarantees an appetizing crispy dough and even cooking. Stainless steel construction makes it easy to clean the oven, and the handy built-in timer alerts you when the cook cycle is complete. Perfect for everyday use. Maximum temperature reached in 37 minutes.
