

Refrigerated fish counter - Bologna - 2m50

Reference: 02.201.250

3,319.83€ tax excluded

Product short description:

Refrigerated display case, made of curved glass, suitable for small and medium-sized sales areas. It differs from the others by its curved glass that can be folded in front and its anodized aluminum cap. It is the ideal refrigeration system for cold cuts, dairy products and delicatessen products. The temperature is regulated by an electronic thermostat. Stop defrosting. Equipped with a condensate recovery system with a removable tray or a remote compressor.
