

## Freezer cabinet - Dundalk - 2m20

Reference: 03.204.000

**6,684.30€ tax excluded**

### Product short description:

The Dundalk is a complete and versatile vertical supermarket display case with doors that allow for refrigeration and preservation of products. Its display technology allows a quick and easy installation, requires little maintenance but offers high performance combined with low energy consumption. This solution allows you to optimize the vertical space of your supermarket and to adapt to it thanks to our possibility of customization. This vertical display uses low-emissivity, anti-condensation tempered glass, allowing for wide visibility and product exposure. You can expect a high resistance to corrosion and a great robustness.

### Product features:

Minimum temperature: -24 °C

Maximum temperature: -16 °C

Content: 688 l

Length: 220 cm

Depth: 96 cm

Height: 222 cm

Electric power: 3800 W

Weight: 310 kg

Product categories: Cold - Frozen products

Product categories: Cold - Ice cream
