

Refrigerated display case - Brugge - 600l

Reference: 01.408.188

4,729.20€ tax excluded

Product short description:

"Bruges" finally combines chocolate / confectionery. The vibration is a microclimate with controlled temperature and low humidity that preserves the aesthetic and organoleptic quality of the product over time. Despite a higher display capacity than a traditional chocolate display case, the chocolate display case can also be installed in very cramped places.

Product features:

Minimum temperature: +14 °c
Maximum temperature: +16 °c
Content: 600 l
Length: 85 cm
Depth: 50 cm
Height: 188,5 cm
Electric power: 360 W
