

Refrigerated counter- Nice Wood curb - 2m50

Reference: 02.104.250

2,975.74€ tax excluded

Product short description:

Incredibly compact! With a depth of only 90 cm, it is ideal for rooms where space is limited. Maximum respect for the environment! The production materials are non-toxic and CFC-free. Hygiene and durability are guaranteed! The screen and the worktop are made of stainless steel! You can easily defrost the refrigerated counter. More space to store your food: use the refrigerated area accessible through the doors to store food that has not yet been exposed!

Product features:

Minimum temperature: +2 °C

Maximum temperature: +5 °C

Content: 415 l

Length: 250 cm

Depth: 90 cm

Height: 129,2 cm
