

Double Door Refrigerator - Lyon II - 1m42

Reference: 04.104.000

2,371.82€ tax excluded

Product short description:

If you need a lot of cooling space and are looking for a reliable appliance, then this 1400 liter refrigerator is the one you should consider. It has a nice hygienic stainless steel cabinet, two self-closing doors, two handles that run the length of the door, and the defrost is automatic. For a kitchen where everyone has their hands full and always busy, this is an ideal appliance with great ease of use. This large catering refrigerator has dynamic cooling from 0 to 10C and uses only between 570 and 700 watts. Great ease of use, all the features and more economical?
