

## Cocktail & Mojitos ice machine BREMA - TM 450 - 440kg /24h

Reference: 09.103.440

**5,673.80€ tax excluded**

### Product short description:

The BREMA TM 450 Cocktail & Mojitos ice machine produces crushed ice in grains ideal for cooling seafood platters, bottles, cocktails (Mojitos, Margaritas...), or cold buffets. Composed of small fragments following a crusher, crushed ice is an effective solution for much faster cooling and for optimized conservation.

### Product features:
