Product short description:

By its simple and elegant shape and crystal purity, Ice Cube made by BREMA Hikku 26 stand-alone ice cube maker is the most demanded ice cube, appreciated all over the world. Its classy appearance enhances all drinks while its delicate freshness enhances the taste. The machines that produce Ice Cube use metal nozzles with an enlarged and easily removable section that allow an abundant passage of water and reduce the effects caused by very hard water. Production cycles are regulated by a thermostat and an internal timer
