# Water softener

Reference: 09.107.011

94.50€ tax excluded

## Product short description:

Water softeners remove excess calcium from running water. These devices prevent limescale from depositing on the heating elements of a water heater, dishwasher, washing machine or percolator. Your energy bill is therefore significantly lower.

## Product features:

Content: 11 300l
Length: 8,3 cm
Depth: 8,3 cm
Height: 38 cm
