

Water softener

Reference: 09.107.034

126.00€ tax excluded

Product short description:

Water softeners remove excess calcium from running water. These devices prevent limescale from depositing on the heating elements of a water heater, dishwasher, washing machine or percolator. Your energy bill is therefore significantly lower.

Product features:

Content: 93 l
Length: 8,3 cm
Depth: 8,5 cm
Height: 38 cm
