

Wine cellar - Bordeaux - 404L

Reference: 01.501.024

1,650.00€ tax excluded

Product short description:

Your wine deserves to be stored, protected, presented and prepared for tasting. All these different functions are performed by your air-conditioned wine cellar over the years, just as a traditional wine cellar would. For wine lovers, wine is almost an obsession. They have a deep desire to find the best solution to preserve their precious vintages.
