Kitchen blender - Santos

Reference: DN637

1,059.00€ tax excluded

Product short description:

It is the ideal device for mixing, emulsifying, grinding all kinds of hot or cold preparations such as gazpachos, veloutés, purees, creams ... Suitable for intensive use thanks to its professional silent, powerful and reliable motor and its new very resistant knives that can quickly crush the hardest elements (ice cubes, lobster carcass).
